

OSHWAL AWAAZ

SPECIAL EDITION 71

GOLDEN TRIBUTE TO OUR SENIORS

Thank you!

We honored our esteemed Elders on Sunday, 26th January 2025, celebrating the remarkable members of the Shree Visa Oshwal Community Nairobi who have reached the milestone age of 85 to 89 years as of 31st December 2025.

As we did not have photos of all our senior members in this age category on the event day, we are now delighted to present this special edition dedicated to them.

Your wisdom, dedication, and unwavering contributions have shaped the legacy of our community. We celebrate your journey, strength, and the invaluable role you continue to play in inspiring generations to come.

With heartfelt gratitude and admiration!

As we pay tribute to these remarkable individuals, we are reminded that their legacy is not just in the years they have lived but in the lives they have touched. Their wisdom continues to guide us, their resilience inspires us, and their contributions remain the foundation of our community's strength.

May we cherish their stories, honor their achievements, and strive to uphold the values they have so gracefully instilled in us.

With deep respect and warmest wishes, we celebrate our golden pillars today and always!
