LIBRARY

Oshwal Awaaz

Our February themed table “check me out” are blind date books, that have one liners attached - drawing members to a book based on a single line. It has been very popular, and readers are enjoying the adventure of picking up an unknown book!

Our Fluid Art workshops have been a resounding success- with both workshops selling out quickly and completely. The workshop is for children and adults and has been enjoyable for all who attended!

Floral arrangement workshop -Our facilitator Priya Atul Shah taught our dedicated students how to create arrangements using a European Continental Style that involved tall, eye catching flower arrangements. The students loved it and came up with different, beautiful and exotic variations, and the workshops was a wonderful success.
