

# OshwalwaaZ

6th Edition: February, 2016

The Children Pathshala classes are very interactive and fun. Children are given an opportunity to learn and understand the principles of Jainism in a simple and informative way.

The well informed religious teachers have prioritized the need of making sure that the kids receive the best religious teachings that uplift their moral values.

The children also get to know about their history, traditions, culture and the need to participate in the community's activities.

The class timetable has been broken down to make the studies easy to understand - every Saturday morning from around 8am, the children are taken through darshan and chaitavandan in the derasar. This is then followed by sootra study and other activities which are done in the classrooms.

### Courses

### Ajit Shah

We enjoy learning and singing the verses in the songs. We used to take about 30 minutes to recite a single tune and pronounce the words . Now we a regrateful because I am able to recite the tunes in 20 minutes with the right pronunciation and fluency.

### Bina Shah

For the past one and a half years, I have been attending the Sanskrit classes and I love them. I would like to sincerely thank Visa Oshwal Community for organizing these classes.

I would also like to thank the teacher - Hiteshbhai for patiently taking us through this difficult language. He has made the classes enjoyable and fun to attend.

### Anila M.K.D Shah

Learning Ajitshanti is very interesting and enjoyable. It's unique as each gatha has different raga. Though sometimes it's difficult the learn gathas in sequence.

Our teacher's method of teaching is excellent. He makes sure that we use the correct pronunciation. The teacher also makes sure that the meaning of each word is understandable and easy to master.

In our class we are also introduced to prakrit and sankrit words which is great for our knowledge.

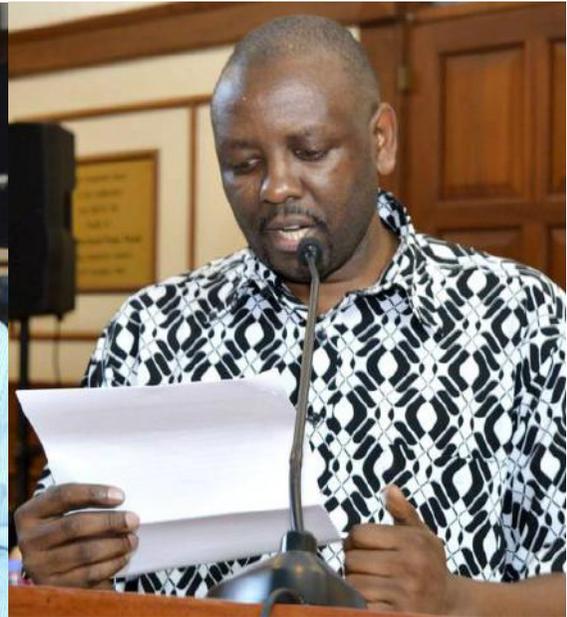

Learning more about Jainism through different stotras, prayers and tantras is incredible and we are fortunate to have such an opportunity

The Visa Oshwal Community held a staff party on the 16th of December, 2016. The day offered a time to reflect on the successful year and appreciate the commitment fostered by the management in making the community a better place for everybody.

The event was attended by the Trustees, Managing Committee and the Visa Oshwal Community staff members.

Conversations flowed seamlessly and gifts were shared in an early Christmas merry.
